WORKSHOPS
Multivariate analysis using Additive Bayesian Networks
Session organisers: Arianna Comin and Gilles Kratzer
E-mail: arianna.comin@sva.se and gilles.kratzer@math.uzh.ch
Basics of molecular epidemiology: phylogenetic trees and transmission trees
Session organiser: Gerrit Koop and Don Klinkenberg
E-mail: g.koop@uu.nl and don.klinkenberg@rivm.nl
EMULSION: an expert-friendly language for designing and exploring mechanistic epidemiological models
Session organiser: Sébastien Picault, Pauline Ezanno, and Gaël Beaunée
E-mail: sebastien.picault@oniris-nantes.fr
Syndromic surveillance on routinely collected data: do’s and don’ts
Session organisers: Anouk Veldhuis and Henriette Brouwer-Middleesch
E-mail: a.veldhuis@gdanimalhealth.com and h.brouwer@gdanimalhealth.com
Assessment of Confounding and Effect Modification during Data Analysis: The need for causal thinking
Session organiser: Hsin-Yi Weng and Locksley L. McV. Messam
E-mail: weng9@purdue.edu and locksley.messam@ucd.ie
Self-determination theory in practice: how to motivate your students?
Session organiser: Saskia Mol
E-mail: s.s.l.mol@umcutrecht.nl
Bayesian tools for the estimation of the true disease prevalence
Session organsers: Polychronis Kostoulas and Armando Giovannini
E-mail: pkost@vet.uth.gr and armando@armandogiovannini.com
Conference organised by
Gerdien van Schaik on behalf of SVEPM

With the support of

With the support of

SOCIETY FOR VETERINARY EPIDEMIOLOGY AND PREVENTIVE MEDICINE
2019 ANNUAL CONFERENCE
WEDNESDAY 27TH MARCH – FRIDAY 29TH MARCH 2019
Utrecht, The Netherlands

Wednesday 27 March 2019
09.00 – 12.00
Workshops
Workshop 1: Multivariate analysis using Additive Bayesian Networks
Workshop 2: Basics of molecular epidemiology: phylogenetic trees and transmission trees
Workshop 3: EMULSION: an expert-friendly language for designing and exploring mechanistic epidemiological models
Workshop 4: Syndromic surveillance on routinely collected data: do’s and don’ts
Workshop 5: Assessment of Confounding and Effect Modification during Data Analysis: The need for causal thinking
Workshop 6: Self-determination theory in practice: how to motivate your students?
Workshop 7: Bayesian tools for the estimation of the true disease prevalence

12.00 – 13.00
LUNCH

Session 1:
Chair: Marnie Brennan
13.00– 14.00
Keynote
Prof.dr. Marion Koopmans, Department of Viroscience, Rotterdam MC, the Netherlands

Session 2:
Chair: Gerdien van Schaik
14.00 – 14.25
Schofield
14.25 – 14.50
Egberts
14.50– 15.00
Disease transmission and dynamics
Application of spatial modelling to explore environmental exposures for lymphoma in dogs under UK veterinary care
Effects of air pollution and temperature on cattle mortality in the Netherlands
Transmission and persistence of VTEC O157:H7 on cattle farms

15.00 – 15.45
COFFEE/TEA & POSTER VIEWING

15.45 – 16.10
Tamminen
16.10 – 16.35
Stanski
16.35 – 17.00
Hop
17.00 – 17.10
Dynamics of Mycoplasma bovis in Dutch dairy herds with a clinical outbreak
19.00 – 20.00
5 x 2 minutes poster pitches
Drinks reception in poster area
Dinner at Hotel Woudschoten

16.10 – 16.35
5 x 2 minutes poster pitches
Thursday 28 March 2019

Session 4:
Chair: Philip Robinson
08.30 – 08.55  Dobie
08.55 – 09.20  Jones
09.20 – 09.45  Delport
09.45 – 10.00  5 x 2 minute poster pitches
10.00 – 10.30  COFFEE/TEA & POSTER VIEWING

Session 5:
Chair: Lisa Boden
10.30 – 10.55  van den Borne
10.55 – 11.20  Minviel
11.20 – 11.30  5 x 2 minute poster pitches
11.35 – 13.00  ANNUAL GENERAL MEETING
13.00 – 14.00  LUNCH

Session 6:
Chair: Timothée Vergne
14.00 – 14.25  Guissmann
14.25 – 14.50  Picault
14.50 – 15.15  da Silva Picault
15.15 – 15.25  COFFEE/TEA & POSTER VIEWING
15.25 – 16.15  Modelling and risk assessment

Session 7:
Chair: Fernanda Dórea
16.15 – 16.40  Schulz
16.40 – 17.05  Jackson
17.05 – 17.30  van den Borne
18.30 – 19.00  Buses depart from Hotel Woudschoten to conference dinner
19.30 – 01.00  DRINKS RECEPTION AND ANNUAL CONFERENCE DINNER at De Winkel van Sinkel, Oudegracht 158, Utrecht. Buses to hotel depart at 11pm, 12pm and 1am.

Friday 29 March 2019

Session 8:
Chair: K. Marie McIntyre
09.00 – 09.25  Nigsch
09.25 – 09.50  Weber
09.50 – 10.15  Perrin
10.15 – 11.00  COFFEE/TEA & POSTER VIEWING
11.00 – 11.25  Hudson
11.25 – 11.50  Mugnier

Session 9:
Chair: David Brodbelt
11.50 – 12.40  Keynote
12.40 – 13.00  Closing of the Conference
13.00 – 14.00  LUNCH

Session 10:
Chair: Marnie Brennan
11.50 – 12.00  Perspectives from the science-policy interface
12.00 – 12.15  The Gareth Davies Lecture
12.15 – 12.30  Keynote
12.30 – 13.00  Closing of the Conference
13.00 – 14.00  COFFEE/TEA & POSTER VIEWING
